Description :

PDF-c2382 | The Nigerian civil war of the late 1960s was one of the first occasions when Western consciences were awakened and deeply affronted by the level of the suffering and the scale of the atrocity being played out in the African Continent. This book which marked Frederick Forsyth's transition from journalist to author is a record of one of the most brutal conflicts the Third World has ever suffered, i... *The Biafra Story: The Making of an African Legend*
