Description :

PDF-84d10 | Desperation is the father of invention. In the year 2525, Ceres desperately searches for his parents, long held captive among the Galactic's 500 colony worlds. When he too is kidnapped, forced to duel to save a slave with powerful secret abilities, he determines to fight his way to the top of the pirate ranks. How can he justify this within his objective moral code? Will Ceres' faith, his soul, sur...
