Description :

PDF-7e6af | Collective Memory examines the difficult transmission of memory in France of the Algerian war of independence (1954-62). Emphasizing the current lack of transmission of memories of this war through a detailed case study of three crucial vectors of memory: the teaching of school history, coverage in the media, and discussion in the family, author McCormack argues that lack of transmission of memori... *Collective Memory: France and the Algerian War (1954D62) (After the Empire: The Francophone World and Postcolonial France)*
