Description :

PDF-41799 | In 2004, Darfur, Sudan was described as the "world's greatest humanitarian crisis." Twenty years previously, Darfur was also the site of a disastrous famine. *Famine that Kills* is a seminal account of that famine, and a social history of the region. In a new preface prepared for this revised edition, Alex de Waal analyzes the roots of the current conflict in land disputes, social disruption and imp... *Famine that Kills: Darfur, Sudan (Oxford Studies in African Affairs)*
