by Clark Andrew F. : **Historical Dictionary of Senegal**

ISBN : #0810827476 | Date : 1994-06-01

Description :

PDF-4b945 | Senegal has traditionally been the meeting place of Islamic and coastal themes in African studies, bringing together Arab, European and various West African influences into its rich and fascinating history. The modern Republic of Senegal has attracted attention for its highly visible role on the international stage and its successful democratic system in an ethnically diverse area. Political scien... *Historical Dictionary of Senegal*
