Description :

PDF-8a038 | Many students come to African history with a host of stereotypes that are not always easy to dislodge. One of the most common is that of Africa as safari grounds-as the land of expansive, unpopulated game reserves untouched by civilization and preserved in their original pristine state by the tireless efforts of contemporary conservationists. With prose that is elegant in its simplicity and analys... *Imagining Serengeti: A History of Landscape Memory in Tanzania from Earliest Time to the Present (New African Histories)*
