Description :

PDF-78494 | Women are usually seen as victims of wars, as indeed they are. But they are also peacemakers, so that the riches of their land may be invested in their children's education and health services and in agriculture and industry. In this book, Liberian women and men who were caught in the civil war between 1989 and 2003, tell their own stories of assisting the afflicted, feeding the hungry, pleading w... *Liberian Women Peacemakers: Fighting for the Right to Be Seen, Heard, and Counted*
