Description :

PDF-263f6 | In most post-colonial regimes in sub-Saharan Africa, state power has been used to structure economic production in ways that have tended to produce economic stagnation rather than growth. In this book, Catherine Boone examines the ways in which the exercise of state power has inhibited economic growth, focusing on the case of Senegal. She traces changes in the political economy of Senegal from the... *Merchant Capital and the Roots of State Power in Senegal: 1930-1985 (Cambridge Studies in Comparative Politics)*
