Description :

PDF-7c06a | Over the years, much has been written about individuals and the forces and their operations in what became commonly known as South Africa's Border War, or Grens Oorlog, but never before has the human spirit of this 23-year-old conflict been so graphically and unashamedly captured and chronicled as in this book. Equally unique, was the exclusive use of social media to invite and encourage indivi... *North of the Red Line: Recollections of the Border War by Members of the SADF and SWATF: 1966–1989*
