Description :

PDF-d339f | Nigeria is an important country in the grand scheme of things for many reasons. It is, and will continue to be for the foreseeable future, an important source of energy for the world economy. As the most populous country, and one of the biggest economies, in Africa, it exercises a massive impact on the stability of the region. It is home for one in five Africans and, therefore, exerts commensurate... *One Nigeria: The Birth and Evolution of an Idea*
