Description :

PDF-18040 | Scholars who study peasant society now realize that peasants are not passive, but quite capable of acting in their own interests. But, do coherent political ideas emerge within peasant society or do peasants act in a world where elites define political issues? *Peasant Intellectuals* is based on ethnographic research begun in 1966 and includes interviews with hundreds of people from all levels o... *Peasant Intellectuals: Anthropology and History in Tanzania*
