Description :

PDF-6e108 | Because of its history and location, Eritrea is an ideal example for a study of the sustainability of traditional rural communities and the impact of local and external actors on them. This book provides a lucid account of the pillage of rural sustainability under modern hegemonic conditions. It traces the manner in which the imprints left by European rule were accentuated during Ethiopian control... *The Pillage of Sustainability in Eritrea, 1600s-1990s: Rural Communities and the Creeping Shadows of Hegemony (Contributions in Economics & Economic History)*
