Description :

PDF-df87e | This book examines the internal politics of the war that divided Angola for more than a quarter-century after independence. In contrast to earlier studies, its emphasis is on Angolan people's relationship to the rival political forces that prevented the development of a united nation. Pearce's argument is based on original interviews with farmers and town dwellers, soldiers and politicians in Cent... *Political Identity and Conflict in Central Angola, 1975-2002 (African Studies)*
