Description :

PDF-834f8 | The Punic Wars (264-146BC) sprang from a mighty power struggle between two ancient civilisations - the trading empire of Carthage and the military confederation of Rome. It was a period of astonishing human misfortune, lasting over a period of 118 years and resulting in the radical depletion of Rome's population and resources and the complete annihilation of Carthage. All this took place more than... *The Punic Wars: Rome, Carthage and the Struggle for the Mediterranean*
