Description :

PDF-cc620 | While Botswana's economic development has been extraordinary, little is known about how different social groups have adapted to the new economic opportunities. This comprehensive account studies a key group of the new entrepreneurs--the ranchers. It describes their changing lifestyles, their construction of personal and social space, and the way they have adapted to state-initiated political and e... *Ranching and Enterprise in Eastern Botswana: Ranching & Enterprise in Eastern Botswana: A Case Study of Black & WhiteFarmers (International African Library EUP)*
