Description :

PDF-a61f6 | Can one explain the power of global capitalism without attributing to capital a logic and coherence it does not have? Can one account for the powers of techno-science in terms that do not merely reproduce its own understanding of the world? Rule of Experts examines these questions through a series of interrelated essays focused on Egypt in the twentieth century. These explore the way malaria, sugar... *Rule of Experts: Egypt, Techno-Politics, Modernity*
